### **About Scholars of Finance**

Scholars of Finance is a rapidly-growing organization on a mission to inspire character and integrity in the finance leaders of tomorrow.

We invest in undergraduate students through leadership development, mentorship, and a life-long support community of peers, alumni, and purpose-driven investors. We then help place our members at top firms and funds where they can begin their journey of making a positive impact on the world with capital.

### **The Mid-Atlantic Leadership Conference**

The Mid-Atlantic Leadership Conference will be hosted on Princeton's campus on Saturday, March 29th, 2025 in collaboration with the Lehigh University chapter of Scholars of Finance. The programming will surround the topic of "Courageous Leadership, Ethical Outcomes".

Attendees will have the opportunity to hear from panels and speakers from top firms across finance, including Morgan Stanley, Citi, and Bank of America, and meet attendees from SOF chapters across the mid-Atlantic region.
